

Irish Field Archery Federation

Committees' letter to members.

We are glad to say that the I.F.A.F. website is up and running.

We apologise that, due to technical difficulties, we have not been able to keep you informed.

The I.F.A.F. exists to promote field archery in the whole of Ireland, and that principle continues.

Membership this year has been extended to Sept 30th. Members renewing or joining now can submit renewals or applications to the membership secretary who is listed, with his email, on the committee page.

His address: JP Sheridan,
121 St. Herblain Park,
Old Tramore Road,
Waterford.

Minutes of the 2013 AGM are available on a direct link on this I.F.A.F. website.

Any and all communications and correspondence are welcome.

We look forward to seeing you all at the next shoot.

Kind regards,
The Committee
