

# IFAF FUN CAPTIONS 1... by Andrew Wayland

(Note: - No offence intended!)

**LITTLEWOOD 2012**

Hmmm, so much for getting away early this evening!

Yawn... shouldn't have stayed up so late last night to read that archery book!

Oh God, did I turn off the immersion this morning?

**LOUGHCREW 2011**

Aaaah What a place to put a tree!

I just cannot miss...

Missed!

**NA LAOCH DALL 2012**

**Grrrr, Five seconds more then I attack.... three, two...**

**MAYO 2011**

**And the reason why it all went so horribly wrong is - SHE refused to make my breakfast this morn...**

**IAC 2011**

**Hey get off me will ya... getting shot by ye lot is bad enough!**

**IAC 2011**

(Excerpt by Andrew from a 2011 Dunbrody club newsletter issue )

Hey Andy mate,  
what's the time?

Getting late  
Pat,...  
thought I'd be  
well gone by  
now...

Be here for  
a while  
more too  
I'd say  
lads!

I need  
food!

Damn, -  
should have  
beaten John  
today...

**LITTLEWOOD 2012**

Seven, eight, nine...  
oh, I was full sure I  
shot ten arrows...

Oi Birdbrain, don't  
be getting any  
ideas... It's NOT  
Christmas!

And we are  
NOT real!

IAC 2013

This is an example of how not to shoot an arrow accurately!  
I will now demonstrate how to properly remove an arrow from a... er... stubborn root using a... sharp implement... Am, I meant to do this for demonstration purposes of course.

DUNBRODY 2011

I'm telling you Dave, 6 plus 6 equals 12!

How did I end up with an odd score today?

More captions to follow soon...

**COMING VERY SOON**
